

Howard the Vampire Dog

18 3 4

Chapter 1 by Robert Hernandez

Chapter 1: One summer night, a night that I couldn't remember at all. But that night, I ran into a dog that I didn't know that it was a vampire.

Chapter 2 by Rachel Jones

'A vampire dog'?! I remember thinking to myself as the hell hound jumped up and tried to savage my throat.

I always **knew** that I should go jogging more, and this was proven by the difference between how fast I wanted to run, and how pathetic my escape pace was....

I stumbled through the darkness, until I saw a light shining in the distance. Bleary eyed, and my nerves jangling, I lunged towards it.

This was a mistake - I never expected to come across the Mother Ship of the vampire dogs! An evil canine extra terrestrial race, hell bent on world domination and generally committing dog-based mischief....

Chapter 3 by intellikat

Unthinkingly, I ran directly up the gangway leading into the mothership, and it retracted with a hiss following my entry, I was now a prisoner of this alien race of bloodsucking mutts, and my fate was sure.

I tell you this now, in the form of a final transmission from the vampire dogs' home world, to warn you of their imminent invasion of Earth. I can tell you this: The invasion is soon. Sooner than you think.
